Rabobank Online Savings is an online banking channel specialising in savings

Keep your existing bank for everyday banking services like eftpos, loans, and mortgages. Just use Rabobank Online Savings for savings, without the hassle of switching banks. With Rabobank Online Savings you get competitive rates, zero account fees, and simple savings account options to suit you.

Available online only

Rabobank Online Savings is an online banking service and you can access your savings 24/7 via our website. If you need help, our call centre is a phone call away. Staff in Rabobank's rural offices will not generally be able to help you with Rabobank Online Savings, but may be able to help with verifying your Rabobank Online Savings documents.

Digipass Security

When you open a Rabobank Online Savings account, you receive a hand-held Digipass to manage your account securely online. It enables you to log in to your Rabobank Online Savings account and manage your transactions, providing one of the safest methods of online banking available today.

How to apply

To open an account with us, visit our website www.rabobank.co.nz and click 'Apply for Savings Account' to complete the online application form.

After completing the online application

Submit any required supporting documentation and make your initial deposit to activate the account. We will then post out your Digipass, giving you access to your account online. Any deposits you make will earn on-call interest straight away.
