- 11.3 The Mortgagor authorises the Bank to set-off as follows:
 - (a) By applying any credit balance of the Mortgagor on any account in any currency towards satisfaction of any Moneys Secured. The Bank may make any payments necessary to enable that application to occur, without any prior notice or demand.
 - (b) If at any time any amount payable by the Mortgagor is contingently due or any amount due is not quantified, the Bank may withhold payment of any credit balance or other amount and the payment of any interest or other moneys on it, pending the amount payable by the Mortgagor becoming due and/or being quantified. The Bank may also set off the maximum liability which may at any time be owing to it by the Mortgagor. In each case the Bank need not give prior notice or demand.
 - (c) For the purposes of this clause 11.3, the Bank:
 - (i) is authorised to break any term deposit and to use all or any part of any credit balance to buy any other currencies which may be necessary to effect any set-off; and
 - (ii) will not be obliged to exercise any of its rights under this clause 11.3. Such rights will be without prejudice and in addition to any other rights under this mortgage and any

right of set off, combination of accounts, lien or other right to which the Bank is at any time otherwise entitled.

- (d) The rights of the Bank under this clause 11.3 are contractual rights affecting the terms on which any credit balance is held and the creation of those rights does not constitute the creation of any security over or other proprietary interest in that credit balance.

11.4 The Mortgagor will make all payments to the Bank at the premises of the Bank or to any other person at any other place which the Bank specifies.

11.5 Unless the Bank agrees otherwise in writing, the Mortgagor will pay all moneys to the Bank no later than 2.00 p.m. on the day for payment, and where that date is not a day on which the Bank is open for business, then on the next day on which the Bank is open for business. Any payment made later than 2.00 p.m. or on a day when the Bank is not open for business is deemed to be one made the next day on which the Bank is open for business.

11.6 In calculating interest or the amount due from the Mortgagor, no credit will be given for any moneys paid into any account under the name or control of the Mortgagor or under any other name, except moneys paid into an overdrawn account with the Bank in reduction of the Moneys Secured. No debit balance of any account will be set off against any credit balance of any other account, in each case unless the Bank agrees otherwise in writing. This provision will not:

- (a) preclude the Bank from making demand under this mortgage at any time; or
- (b) preclude the Bank from applying any credit balance in any other account to reduce the Moneys Secured at any time; or
- (c) deprive the Bank of any other right including any right of lien or set off.

12. FOREIGN CURRENCY

12.1 If the Moneys Secured is denominated in a currency other than New Zealand dollars ("foreign currency") then unless the Bank has exercised the discretion to convert the foreign currency into New Zealand dollars under any provision in any agreement (without prejudice to the exercise of any such discretion), the following will apply:

- (a) The Mortgagor will pay the Bank the Moneys Secured in the foreign currency.
- (b) If the Mortgagor fails to pay the Moneys Secured in the foreign currency the Bank may purchase the amount of the foreign currency which is unpaid. In that event:
 - (i) the Bank will notify the Mortgagor of the amount of the foreign currency purchased, the date of purchase and the New Zealand dollar price paid; and
 - (ii) the Mortgagor will pay on demand to the Bank that New Zealand dollar price and interest on that price from the date of purchase determined in accordance with clauses 3 or 4; and
 - (iii) liability under paragraph (ii) is in substitution for liability in respect of the foreign currency purchased.

The Bank may exercise its rights under this paragraph (b) as it thinks fit, without prior notice to the Mortgagor and without prejudice to any other remedy it may have.

- (c) Without prejudice to the provisions of this clause 12.1, the Mortgagor will indemnify the Bank against any loss it may suffer directly or indirectly as a result of exchange rate changes or transactions entered into to protect against exchange rate changes, before the Bank receives all amounts due under paragraphs (a) and/or (b) of this clause 12.1. This indemnity includes any loss arising through any requirement for judgement or proof in dissolution to be in New Zealand dollars. The Mortgagor also agrees to pay interest in accordance with clauses 3 or 4 in respect of any such loss.

13. PRIORITY

- 13.1 For the purposes of section 92 of the Property Law Act 2007, and without prejudice to the restriction contained in clause 14.4, the maximum amount for which this mortgage has priority, in relation to any subsequent mortgage over the Land is the Priority Limit (subject to the provisions of any priority agreement executed by the Bank after the date of this mortgage). This clause shall not be construed as limiting the amount of the Moneys Secured nor as a waiver of priority under any other law in respect of any amount of the Moneys Secured that may exceed the Priority Limit.

14. NATURE OF THE SECURITY

- 14.1 This mortgage will operate as a continuing security for the Moneys Secured irrespective of:

- (a) any sum which may be paid to the credit of any account of the Mortgagor with the Bank; and
- (b) the appointment, retirement or removal at any time of a Receiver; and
- (c) the exercise by the Bank or a Receiver of any power conferred by this mortgage, or by law; and
- (d) any settlement of account or any other thing whatever,

and will remain in full force and effect and extend to cover all of the Moneys Secured until a final discharge of this mortgage has been executed by the Bank.

- 14.2 This mortgage is collateral with and secures the same moneys as are intended to be secured by the Collateral Securities (if any). This mortgage and each Collateral Security will be read and construed together so that a default under one of them is deemed to be a default under each of them. However, the Bank may pursue its remedies and exercise its powers under this mortgage or any Collateral Security separately or concurrently and in any order it thinks fit.

- 14.3 Nothing contained in this mortgage or any Collateral Security will merge, discharge, abate, or prejudice any other security now or in future held by the Bank for payment of the Moneys Secured. Neither this mortgage, any Collateral Security nor any other security will affect any claim or demand which the Bank has now or may in the future have against any other person as surety or on any bill of exchange or promissory note, letter of credit, bond, note or other document for the Moneys Secured nor operate as payment of the Moneys Secured until it has been paid in cash.

14.4 The Mortgagor will not without the prior written consent of the Bank:

- (a) dispose of or permit the disposal of the Land; or
- (b) create or permit any security other than this mortgage over the Land; or
- (c) apply for or obtain from any governmental agency any money or material or otherwise do or permit anything to be done as a result of which any security or liability will be or might be imposed upon the Land, or as a result of which the Land will or might be disposed of.

14.5 Where the Land comprises more than one certificate of title, the Mortgagor will inform the Bank of the fact that a single certificate of title for the Land has been or will be issued as soon as the Mortgagor becomes aware of that fact. The Mortgagor will execute and deliver to the Bank a mortgage over the Land in that certificate of title in favour of the Bank immediately on receipt of such a mortgage from the Bank. That mortgage will be identical to this mortgage or will be on the Bank's standard form at that date. It will rank in priority over all other charges and interests affecting the Land except any to which this mortgage is subject.

14.6 Where this mortgage is subject to any prior mortgage or charge, the Mortgagor will duly and punctually pay all money secured by, and comply with the terms contained or implied in, every prior mortgage or charge.

15. REMEDIAL ACTION BY THE BANK

15.1 Whenever the Mortgagor fails to observe or perform any of its obligations under this mortgage the Bank, without prejudice to its other rights, powers and remedies will be entitled, but not obliged, to pay all moneys and do all things which it deems necessary or desirable to remedy any such default or otherwise protect the security created by this mortgage. Without limitation, the Bank may do this:

- (a) by taking possession of the Land, in order to sell, preserve or protect the Land; or
- (b) by discharging the obligations of the Mortgagor for rent, or interest or other amounts under any security or obligation or otherwise.

15.2 The Mortgagor will pay to the Bank all moneys expended under clause 15.1. The Mortgagor will also pay interest on such moneys, determined in accordance with clauses 3 or 4, from the date on which such moneys are paid by the Bank until their payment by the Mortgagor. Until paid such moneys and interest on them will form part of the Moneys Secured. Payment will be made on demand on a full indemnity basis (including all legal costs on a full solicitor and client basis and GST on such costs).

16. BANK TO RETAIN TITLE DOCUMENTS

16.1 Subject to the rights of any mortgagee under any prior mortgage, so long as any Moneys Secured remains owing under this mortgage, the Bank will be entitled to retain custody of all title documents to the Land.

16.2 Subject to section 211 of the Land Transfer Act 1952 the Bank will not be compelled to produce this mortgage or the title documents in any Land Registry Office or elsewhere while the Mortgagor is in default under this mortgage nor until the reasonable costs of production have first been paid to the Bank.

17. BANK'S AGENTS MAY ENTER ON LAND

17.1 Any employee of the Bank or any other person who is authorised for this purpose by the Bank may enter on the Land without notice at any reasonable time for the purpose of inspecting any part of the Land (including buildings and Improvements) or of exercising any of the Bank's powers in respect of the Land. The Mortgagor will give the Bank and its agents any reasonable assistance which may be required for the purpose of this clause 17.

18. DEFAULT

18.1 The following shall each constitute Enforcement Events under this mortgage:

- (a) the Mortgagor fails to pay any Moneys Secured on its due date for payment or on demand if payable on demand; or
- (b) the Mortgagor commits any breach of, or omits to observe any of its obligations contained in, this mortgage; or
- (c) in the opinion of the Bank, the Moneys Secured is applied for any purpose other than the purpose for which it was provided; or
- (d) any security in favour of any person over any of the assets (including the Land) of the Mortgagor is enforced or becomes enforceable; or
- (e) any Consent necessary at any time in connection with this mortgage, or the implementation or performance of it, expires or is revoked, cancelled, withdrawn or modified in a manner unacceptable to the Bank or otherwise ceases to remain in full force and effect, and is not replaced by a Consent acceptable to the Bank; or

- (g) a petition is filed, or an application or an order is made or a resolution is passed or proposed, for the dissolution of the Mortgagor or, if a body corporate, any holding company of either of

them (except for the purpose of and followed by an amalgamation or solvent reconstruction on terms previously approved in writing by the Bank); or

- (h) a liquidator, provisional liquidator, trustee, receiver, manager, receiver and manager, administrator, inspector appointed under any legislation, or similar officer, is appointed in respect of the Mortgagor, or any encumbrancer takes possession of the whole or any part of their respective assets, or application is made for the appointment of any of the officials referred to in this clause 18.1(h); or
- (i) any step is taken to appoint a statutory manager (including the making of any recommendation in that regard by the Securities Commission) under the Corporations (Investigation and Management) Act 1989 in respect of the Mortgagor or any "associated person" (as that term is defined in that Act) of the Mortgagor, or any of them is declared at risk under the provisions of that Act; or
- (j) the Mortgagor, if a body corporate, without the prior written consent of the Bank reduces or takes any action to reduce its capital (including by purchase of its own shares but not including by redemption of redeemable preference shares), or cancels or reduces or takes any action to cancel and reduce the liability of any shareholder of the Mortgagor in respect of any shares held by that person; or
- (k) attachment, distress or any other execution is levied or enforced or commenced against any of the assets of the Mortgagor and is not discharged or stayed within seven days, or a judgement is obtained against the Mortgagor or

- (m) if a body corporate, any change occurs in the legal and/or beneficial ownership of the Mortgagor or any holding company of the Mortgagor, or the Mortgagor ceases to be controlled by the same persons as at the date of this mortgage; or
- (n) if a body corporate, any change occurs in the statute, constitution, rules, or other governing document of the Mortgagor which in the opinion of the Bank is prejudicial to its security under this mortgage; or
- (o) any provision of this mortgage:

- (i) wholly or partially ceases to have effect, otherwise than in accordance with its terms or as permitted by this mortgage, or by performance of their obligations under this mortgage by the parties to it; or
- (ii) is or becomes void, voidable, illegal, invalid or unenforceable (other than by reason only of a party waiving any of its rights), or of limited force and effect, or the performance of any such provision becomes illegal; or
- (p) any undertaking given to the Bank by or on behalf of the Mortgagor is breached or not wholly performed within the period specified in that undertaking or if no period is specified, within seven days after the date of that undertaking; or
- (q) any local authority or governmental agency takes any action under, or there is any claim or requirement of expenditure or alteration of activity pursuant to any provision of the Resource Management Act 1991 or any other enactment relating to use of land or the environment; or
- (r) the Land is taken under any law or the Land Use is no longer a permitted activity under the Resource Management Act 1991 or would no longer be a permitted activity but for any current resource consent or existing use rights (as those expressions are defined by or are applicable to the Resource Management Act 1991); or
- (s) in relation to the Land:
 - (i) a breach of any Consent occurs or is threatened, which may in the opinion of the Bank:
 - A. result in a material adverse effect, as that term is used in the Resource Management Act 1991; or
 - B. affect the value of any asset which is the subject of any security in favour of the Bank; or
 - (ii) if any circumstance arises which in the opinion of the Bank may give rise to any or breach of the kind referred to in clause 18.1(i); or
 - (iii) the Mortgagor, without the prior written consent of the Bank, transfers or surrenders any Consent or allows any Consent to lapse or be cancelled.
- (t) the Mortgagor or any subsequent mortgagee or security holder at any time under any statutory or other right requires the Bank to execute a transfer in lieu of a discharge of any prior mortgage; or
- (u) the Land is sold under a power of sale in any mortgage or other security over which this mortgage has priority; or
- (v) any event referred to in clause 33.3 occurs

18.2 Any failure to act, delay or acquiescence by the Bank after acquiring knowledge of any of the Enforcement Events will not prejudice, or operate as a waiver of, the power of the Bank under this clause 18 unless the Bank agrees in writing to a particular event. In that case that agreement will

relate only to the particular event and will not prejudice the rights of the Bank to exercise any of the powers provided in this mortgage in the future.

19. BANK'S POWERS ON ENFORCEMENT

19.1 Without prejudice to any of the other rights powers or remedies the Bank may have under this mortgage or at law the Bank may, subject to the expiry of any notice period required by the Property Law Act 2007 or any other law, at any time after the occurrence of an Enforcement Event:

- (a) terminate without notice any obligations the Bank may have to provide financial accommodation or other services to the Mortgagor; and
- (b) declare the whole of the Moneys Secured to be due and payable, so that it will immediately become due and payable; and
- (c) sell the Land or any part of it in accordance with clauses 19.2 to 19.6.

19.2 If the Bank exercises its power of sale, it may sell the Land on the conditions set out in section 178 of the Property Law Act 2007, or any of them, as varied by this Mortgage.

19.3 If the Bank, for the purpose of exercising its power of sale, exercises the power to subdivide the Land, in accordance with the Property Law Act 2007, it will not be liable for any loss the Mortgagor may suffer arising out of the subdivision or sale.

19.4 In the event that the Bank exercises its power of sale:

- (a) the Bank may allow a purchaser to make payment for the purchase of the Land on any terms acceptable to the Bank; and
- (b) if the Bank allows any purchase money to be left outstanding on credit or if the terms of purchase include payment by instalments, any money left unpaid will be deemed to be a continuing unsatisfied part of the Moneys Secured owed to the Bank. That outstanding money will carry interest (payable by the Mortgagor) accordingly until it is actually received by the Bank. Any interest paid by the purchaser in respect of the purchase money left outstanding on credit or otherwise unpaid will be set off against the interest payable by the Mortgagor under this clause 19.4; and
- (c) the Bank will not be liable for any outstanding moneys or for any loss the Mortgagor may suffer arising out of any term agreed to by the Bank relating to the purchase.

19.5 If any agreement for sale is cancelled when purchase moneys have already been applied, the Bank will be entitled to make all allowances and refunds to the purchaser as a purchaser may be entitled to at law on the cancellation of an agreement. The full amount of all allowances and refunds will become part of the Moneys Secured from the date of payment to the purchaser. The Bank will not be responsible for anything done or omitted by any purchaser. The Bank will not be obliged to enforce any right or power contained in any agreement for sale against any purchaser.

19.6 In the event that the Bank exercises its power of sale, the proceeds arising from the sale shall be applied in accordance with section 185 of the Property Law Act 2007.

20. RECEIVER

- 20.1 The Bank may at any time after the occurrence of an Enforcement Event appoint in writing any person to be a receiver, manager or receiver and manager of the income, assets and undertaking of the Land or of any Business. A Receiver will be the agent of the Mortgagor and the Mortgagor alone will be responsible for the acts and defaults of the Receiver. The Bank may remove any Receiver and appoint any new Receiver as it thinks fit.
- 20.2 In the event that the Bank appoints two or more persons as Receiver, then unless the appointment expressly states otherwise, those persons will be deemed to have been appointed with power to act jointly and severally.
- 20.3 The Receiver will, subject to the expiry of any applicable notice period required by law, have power:
- (a) to demand and recover all or any part of the income of the Land by action or otherwise in the name of the Mortgagor or the Bank to the full extent of the Mortgagor's estate or interest in the Land and to give effectual receipts for them; and
 - (b) to borrow and secure any money which may in the Receiver's opinion be required in order to more effectively carry on any Business or otherwise realise any income of the Land; and
 - (c) to carry on trade, sell or assign or otherwise dispose of any Business or any of its assets and to give effectual receipts for them; and
 - (d) to exercise any powers which may have been delegated to the Receiver by the Bank being powers of the Bank contained in this mortgage or any Collateral Security.
- 20.4 If directed to do so in writing by the Bank the Receiver will insure and keep insured against loss or damage by fire or any other risk any building, effects or property comprised in the Land (whether affixed to the Land or not). Any premiums, costs or expenses incurred may be paid out of any money received by the Receiver.
- 20.5 All moneys received by the Receiver will (subject to the claims of any secured or unsecured creditors ranking in priority to this mortgage and any law) be applied:
- (a) firstly, in payment of all costs, losses, charges and expenses (including all legal costs on a full solicitor/client basis) of and incidental to the appointment of the Receiver and the exercise of the powers of the Bank or the Receiver (including remuneration of any Receiver but subject to any direction made by any court in that respect); and
 - (b) secondly, in payment of any preferential payment which may be payable by the Receiver under the provisions of section 30 of the Receiverships Act 1993; and
 - (c) thirdly, in payment to the Bank of the Moneys Secured; and
 - (d) lastly, in payment of any surplus to the Mortgagor or any other person entitled to it.
- 20.6 In the event that any part of the Moneys Secured is contingently owing or not yet owing at the time of an application of money under clause 20.5 or clause 25.4 the Bank may deposit an amount not exceeding that part in an interest bearing deposit account on any terms and conditions the Bank

thinks fit with any person (including the Bank). The deposit may continue until that part becomes actually payable or ceases to be contingently owing. At that time the Bank may retain for its own account the amount which is then actually payable to it and deal with any balance in accordance with clause 20.5 or clause 25.4 as the case may be.

- 20.7 The remuneration of any Receiver may be fixed by the Bank at an amount, or on a basis, agreed between the Bank and the Receiver or, failing any agreement, as the Bank may think fit.
- 20.8 All costs, charges and expenses incurred by the Receiver may be retained by the Receiver out of any money received by the Receiver. A commission at a rate specified in the Receivers appointment or specified at any other time by the Bank may also be retained by the Receiver.

21. PERSONS DEALING WITH THE BANK OR THE RECEIVER TO BE PROTECTED

- 21.1 There will be no need for any purchaser or other person dealing with the Bank or any Receiver, or with any agent or attorney of the Bank or Receiver to inquire:
- (a) whether the security created by this mortgage or any Collateral Security has become enforceable; or
 - (b) whether a Receiver has been properly appointed; or
 - (c) whether the powers which the Bank or any Receiver or any agent or attorney of those persons is purporting to exercise have become exercisable; or
 - (d) as to the necessity for, or the expediency of, the conditions subject to which any sale or lease is made or to which any security is given; or
 - (e) otherwise as to the propriety or regularity of any sale, lease, security, calling in, collection or conversion of any money or assets, or to see to the application of any money paid to the Bank or to any Receiver or to any agent or attorney of those persons.

The Mortgagor will have a remedy in respect of any actionable impropriety or irregularity in the execution of such powers in damages alone.

22. BANK AND RECEIVER TO BE PROTECTED

- 22.1 In the event that the Bank or any Receiver sells the Land pursuant to this mortgage they will be accountable for only so much of any purchase money which they actually receive. The Mortgagor will remain liable for the Moneys Secured beyond the amount of any moneys actually received.
- 22.2 In the event that the Bank or any Receiver enters into possession of the Land, neither will be liable to account as mortgagee in possession for any accidents occurring in any operations carried on or for any negligence, default or omission for which a mortgagee in possession might be held liable. Having gone into possession of the Land the Bank or any Receiver may at any time give up possession of the Land.
- 22.3 Neither the Bank nor any Receiver will be accountable for any losses which may occur as a result of the exercise, purported exercise or non exercise of any of their rights, powers or remedies. In the event of any losses, those losses will form part of the Moneys Secured.

22.4 The Mortgagor will indemnify the Bank and any Receiver against any cost, loss, expense or liability incurred directly or indirectly in the exercise, purported exercise or non exercise of their rights powers and remedies or relating to the Land or its use. That indemnity will include any cost, loss, expense or liability consequent on any mistake or error of judgement or imposed by law. If the Bank requires, the indemnity may be satisfied out of the proceeds of the sale of the Land. The Bank may also indemnify any Receiver in respect of any such amounts if it wishes to do so.

23. POWER OF ATTORNEY

23.1 The Mortgagor irrevocably appoints the Bank, every Attorney of the Bank, any Receiver and the manager or acting manager for the time being of every branch of the Bank severally to be the Attorney of the Mortgagor:

- (a) to do and execute anything which the Mortgagor covenants or agrees to do or execute under this mortgage; and
- (b) generally to do all things which may be, in the sole discretion of the Bank or any Attorney appointed under this clause 23, necessary or desirable in order to fully protect the interests of the Bank.

23.2 Nothing contained in this clause 23 will make it obligatory on the part of the Bank or any other Attorney to exercise any of the powers hereby given or make the Bank or any other Attorney responsible for any loss arising from any action taken or any omission or neglect to act.

23.3 The Mortgagor ratifies anything done by any Attorney in accordance with this clause 23.

24. GENERAL OBLIGATIONS OF MORTGAGOR

24.1 The Mortgagor will punctually perform and observe all the terms and conditions of this mortgage to which it is a party and will take all action within its power to ensure the punctual performance and observance of those terms and conditions (if any) to which it is not a party.

24.2 To the extent that it may do so without breaching this mortgage, the Mortgagor will punctually pay all money secured by, and punctually perform and observe all the terms and conditions of every other security given by the Mortgagor to any person other than the Bank.

24.3 The Mortgagor will become liable to pay the Moneys Secured and be bound by this mortgage immediately upon signing it, even if this mortgage has not been executed by any other person who is liable to pay the Moneys Secured.

24.4 If requested to do so the Mortgagor will produce to the Bank, or to any other person named for that purpose by the Bank, all accounts, financial statements, and any other financial information relating to the Mortgagor's own affairs which the Bank may require.

24.5 The Mortgagor will be in breach of an obligation under this mortgage if a breach of that obligation is caused by another person, whether or not that person is under the control of the Mortgagor.

25. INSURANCE

- 25.1 The Mortgagor will immediately insure all buildings and improvements on the Land, and will keep them insured for full replacement value, against loss or damage by fire, earthquake, riot, aircraft accident, flood, storm, and any other perils which are normally covered by a comprehensive insurance policy.
- 25.2 The Mortgagor will take out the insurance required by this clause 25 in the name of the Mortgagor and the Bank for their respective rights and interests and with an insurance office in New Zealand approved by the Bank. If this mortgage is a first charge against the Land and the Bank requires it, the Mortgagor will deliver the insurance policy or the certificate of insurance as the case may be to the Bank. The Bank will be entitled to exclusive custody of the insurance policy or certificate.
- 25.3 The Mortgagor will punctually pay all premiums or any other sums of money necessary for keeping the insurances required by this clause 25 in force. The Mortgagor will produce the premium receipt to the Bank before 2.00 p.m. on the due date for payment of the premium if the Bank requires it.
- 25.4 In the event of any buildings or other improvements on the Land being destroyed or damaged, all moneys received by the Bank under any insurance policy will, subject to the rights of any prior mortgagee, be applied at the Bank's sole option either:
- (a) in rebuilding or repairing the buildings or other improvements; or
 - (b) in payment of any Moneys Secured, even if the Moneys Secured may not have become due.

26. MORTGAGOR TO MAINTAIN THE LAND AND THE BUILDINGS

- 26.1 The Mortgagor will:
- (a) keep all buildings and other improvements on the Land and all other parts of the Land in good repair; and
 - (b) keep all ditches, drains, dams, sumps, and watercourses on the Land free from weeds and other obstructions and in good repair; and
 - (c) keep the Land free from contamination, and will not do or permit anything which may result in waste of, or otherwise reduce the value of the Land for security purposes; and
 - (d) not cause or permit (whether by way of any act or omission) any contamination of the Land, or of any water (including underground water), other land, buildings, or other improvements.

27. AGRICULTURAL COVENANTS

- 27.1 If the Land is used for farming purposes (including, but not limited to agricultural, horticultural, pastoral, or silvicultural purposes), the Mortgagor will at all times at its own expense:
- (a) eradicate all noxious plants and vermin from the Land and all other plants and animals where to do so would be in accordance with the best principles of farming practices. The Mortgagor will comply with the law for the time being in force, and will do all things which may be required by the Bank, relating to these matters; and

- (b) comply with the provisions of the Biosecurity Act 1993 and any regional or national pest management strategy implemented under the Biosecurity Act 1993 and all other Acts dealing with noxious weeds and vermin; and
- (c) farm and manage the Land in a proper and husbandlike manner, and keep the Land cultivated and fertilised, in accordance with accepted principles of farming management and not allow the Land or any plants on it to deteriorate or be prejudicially affected; and
- (d) keep in good repair all fences, gates, drains, sewers, buildings, irrigation systems, shelters, heating or atmospheric control systems, bridges, stockyards or any other improvements on the Land to the reasonable satisfaction of the Bank; and
- (e) where appropriate, maintain all plants and trees on the Land and support their structures if any in accordance with the best principles of horticultural and silvicultural practice as the case may be.
- (f) The Mortgagor shall punctually:
 - (i) provide a proper method of disposal of all effluent and comply with all statutes relating to the same;
 - (ii) comply with the Forest and Rural Fires Act 1977; and
 - (iii) comply with the Animal Products Act 1999 and all other statutes concerning the business of farming and with any order or requisition of any dairy or other inspector having authority.
- (g) The Mortgagor shall keep all hedges on the Land in the same order and condition as at the Commencement Date, keep the gardens, plant beds, nurseries, orchards and shrubberies on the Land properly cultivated, planted, stocked and manured and in neat order and preserve and keep well pruned and trained all plants, fruit trees, bushes, vines and shrubs and remove and replant any of them with replacement stock of no less quality than that which has died.

27.2 If the Land is used in whole or in part for forestry the Mortgagor hereby grants and transfers to the Bank the following rights in the event of a default by the Mortgagor under the terms of this mortgage:

- (a) To establish, plan, manage, cultivate, protect, render productive, harvest, carry away, sell and otherwise utilise all trees, timber and logs growing or to be grown on the Land.
- (b) To make, install and use such roadways, tracks and gates on the Land (whether existing or otherwise) as may be necessary for the purpose of exercising the rights conferred in sub-clause (a).
- (c) To, by itself or by its agents, servants, licensees and invitees, from time to time enter and pass and repass upon the Land with or without machinery, vehicles and plant of all kinds.
- (d) To construct upon the Land such buildings, plant and other works as may be necessary or convenient for the full enjoyment of the rights granted.

- (e) To place and stack upon any part of the Land as may be necessary or convenient any trees, timber or logs harvested pursuant to the rights granted hereunder.
- (f) To generally do whatever the Mortgagor shall in its sole discretion determine may be necessary or convenient for obtaining the full benefits of the rights and privileges hereby granted to enable the Bank to realise its security and recover the Moneys Secured.

27.3 The Mortgagor will not without the prior written consent of the Bank:

- (a) give any lien, instrument, or other security over any crop or produce, or any wool or livestock on the Land to any other person; or
- (b) sell, lease, licence, surrender, or in any way dispose of, or deal with, any quota for the production or sale of any crop, produce or other product capable of being produced or any wool or livestock on the Land; or
- (c) do or permit anything which may cause any quota to be forfeited, surrendered or reduced. The Mortgagor authorises the Bank to acquire any quota and dispose of it by any means, and to use the proceeds in reduction of the Moneys Secured, or to forfeit any quota in whole or in part, if the Bank wishes.

27.4 If any Consents, including any water permits, form part of or are attached to the Land, then the Mortgagor warrants to the Bank that:

- (a) the Consents are in full effect and relate to all of the activities carried out on the Land at the date this mortgage is signed; and
- (b) the Mortgagor will do everything which is necessary to apply for any renewals of the Consents within six months prior to their expiry date and to maintain existing Consents in full effect. The Mortgagor will also procure any other Consents which may be necessary for the successful cultivation and operation of the Land in the opinion of the Bank; and
- (c) the Mortgagor will not do or permit anything which may prejudice the continued existence of Consents as part of the Land or which may result in the alteration in any way of any Consents; and
- (d) in the event of any dispute between the Mortgagor and the Bank as to any of the matters referred to in paragraph (a) - (c) above, the Mortgagor will be bound by and will act in accordance with any decision by the Bank notified in writing to the Mortgagor; and
- (e) the Mortgagor will procure the surrender of any lease, agreement or instrument in respect of any Consents at the Bank's request, for the purpose of furthering or securing the rights and interests of the Bank in the Consents; and
- (f) the Mortgagor will grant to any nominee of the Bank any lease, agreement or instrument which the Bank may deem expedient for furthering or securing any Consents over the Land; and
- (g) the Mortgagor will execute or procure by any person who is a holder of any Consents the execution of any documents the Bank may deem necessary for the purpose of enabling the

Bank or its nominees to become the member in place of the Mortgagor of any scheme or association or company the membership of which is a necessary pre-requisite to the delivery of water to the Land, if requested to do so by the Bank.

28. MORTGAGOR TO CONTINUE BUSINESS

28.1 Where Business is carried on at the date of this mortgage:

- (a) The Mortgagor will not use the Land other than to carry on the Business without the prior written consent of the Bank.
- (b) The Mortgagor will not cease to carry on the Business without the prior written consent of the Bank. Prior to receiving that consent the Mortgagor will continuously and fully carry on the Business or cause it to be carried on, on or from the Land in a proper and orderly manner in strict conformity with all laws and all Consents which may be issued in respect of the Land or in respect of the Business.
- (c) The Mortgagor will do all things which may in the opinion of the Bank be necessary or desirable to obtain and keep in force any Consents and all renewals of those Consents.
- (d) The Mortgagor will not charge or transfer to any other person or premises or surrender, cancel or suspend, any name or Consents for the time being existing in respect of the Business or of the Land, without the prior written consent of the Bank. The Mortgagor will not permit any such change, transfer, surrender, cancellation or suspension without such consent.
- (e) If the Mortgagor is for any reason in default under this clause 28 then, without in any way limiting any other provision of this mortgage, the Bank may do all or any of the following things:
 - (i) transfer to the Bank or to any other person as the Bank may direct, any Consents issued in respect of the Land or in respect of the Business; or
 - (ii) where any Consent is not capable of being transferred to the Bank, apply for that Consent in its own name; or
 - (iii) otherwise do all things the Mortgagor is authorised or obliged to do or perform pursuant to this mortgage.

28.2 The Mortgagor will not carry on any "offensive trades" as that term is defined in the Fourth Schedule of the Land Transfer Act 1952.

29. NO ALTERATIONS

29.1 The Mortgagor will not without the prior written consent of the Bank:

- (a) remove or dismantle any buildings or improvements on the Land, or permit any removal or dismantling (whether or not the buildings or improvements were placed or erected on the Land before on or after the date of this mortgage); or

- (b) construct or make any alterations to the buildings or other improvements on the Land, or permit any such construction or alterations.
- 29.2 Where the Bank gives its prior consent under clause 29.1 the provisions of clause 48 will apply in respect of any permitted construction or alteration as though it were a development as defined in that clause.
- 29.3 If any Enforcement Event has occurred the Bank may make any improvements or alterations to any building or other improvements on the Land which it considers necessary or advisable in order to make them better suited for letting, leasing or sale or to comply with the reasonable requests of any tenant or lessee.

30. COMPLY WITH LAWS AND ADVISE THE BANK

- 30.1 The Mortgagor will punctually comply with all laws now or later in force and all Consents relating to:
- (a) the Land or the buildings or improvements (including fences), on the Land; or
 - (b) any Business conducted on the Land or in the buildings on the Land; or
 - (c) the ownership or occupation of the Land.

Compliance will not be necessary where any laws or Consents are expressly or by necessary implication modified or negated by this mortgage.

- 30.2 The Mortgagor will immediately advise the Bank in writing of any contravention or threatened or likely contravention of any laws or Consents referred to in clause 30.1.
- 30.3 The Mortgagor will not apply for or obtain from the Crown or any statutory authority or any other person any money or material thing whereby any charge or liability will or may be imposed on the Land in priority to this mortgage, without the prior written consent of the Bank.
- 30.4 The Mortgagor will immediately deliver to the Bank a copy of any notice or other communication which refers to any decision, matter or event which may materially adversely affect the Land, any Land Use, Consent or any Business or which may materially adversely affect the interests of the Bank under this mortgage. The Mortgagor will take all reasonable steps required by the Bank in respect of the subject matter of any such notice or other communication.
- 30.5 Without limiting clause 30.1, the Mortgagor will comply with, and will ensure that all buildings and other improvements on the Land comply with the provisions of the Building Act 2004. Without limiting this clause 30.5 the Mortgagor will ensure, if required by law, that an appropriate compliance schedule is maintained, and an appropriate warrant of fitness is kept current, in accordance with the provisions of that Act. The Mortgagor will deliver a copy of any compliance schedule and warrant of fitness to the Bank immediately on issue.
- 30.6 The Mortgagor will obtain and maintain any Consents, and will not discharge or dispose of any Consent without the prior written consent of the Bank.
- 30.7 Where the Resource Management Act 1991 (in this clause 30.7 called "the Act") applies to the Land:

- (a) If any Land Use is allowed only because of section 10 and/or section 20 of the Act, the Mortgagor will continually use and continue to use the Land so as to preserve the application of that section.
- (b) If pursuant to the Act, a Consent affecting the Land has been or is granted subject to any terms or conditions, the Mortgagor will continue to use the Land in strict compliance with those terms or conditions.
- (c) The Mortgagor will take all necessary steps to prevent any use or rights enjoyed in respect of the Land from lapsing if the loss of that use or right may in the opinion of the Bank materially affect the Bank's security.
- (d) If the Mortgagor receives notice of any proposed variation of a plan or of a rule in a plan or of a condition attaching to a Consent affecting the Land then the Mortgagor will notify the Bank within seven days. If requested by the Bank, the Mortgagor will at its sole cost take all reasonable steps to oppose any such variation. The Mortgagor will not instigate or pursue any proceedings which may affect such a variation without the Bank's prior written consent.
- (e) Any expression which is defined in the Act will have the same meaning (where the context permits) in this clause 30.7.

31. LICENSED PREMISES

31.1 Where the Land or any part of it consists of "licensed premises" within the meaning of the Sale of Liquor Act 1989 (in this clause 31.1 called "the Act"), the Mortgagor will ensure that the provisions of the Act are complied with at all times. In particular the Mortgagor will ensure that:

- (a) all licences required under the Act are obtained, maintained and renewed; and
- (b) all conditions of such licences are complied with; and
- (c) any activity or Business on or in respect of the licensed premises is conducted in a proper, lawful and orderly manner.

32. LEASES

32.1 Where the Land is or includes any lease or licence (in this clause called "the lease") the following clauses will apply.

32.2 The Mortgagor will punctually pay the rent reserved by the lease when it becomes due and will perform all the covenants, conditions and agreements contained or implied in the lease. If the Mortgagor is in default under the lease it will be lawful but not obligatory for the Bank (without prejudice to any of its other rights, powers or remedies under the lease), and at the expense of the Mortgagor:

- (a) to pay any moneys and to do any acts reasonably necessary for the full or (at the Bank's option) partial performance of the covenants, conditions or agreements in the lease; and
- (b) if necessary or convenient for the purpose of exercising any of the powers conferred on the Bank by this mortgage, to enter by its servants, agents, contractors or workmen on the Land.

- 32.3 The Mortgagor will at its own cost do all things which are required of it for obtaining renewals of the lease or a new lease of the Land and invoking rent reviews including all things required of the Mortgagor for the appointment of a valuer or arbitrator. If the Mortgagor fails to do any such things or if the Mortgagor fails to pay any associated expenses it will be lawful for the Bank to do any such things in its own name and to pay any such expenses. Any costs incurred in this way by the Bank will become part of the Moneys Secured.
- 32.4 On obtaining a renewal or extension of the lease or a new lease the Mortgagor will immediately mortgage it to the Bank to secure the payment of any Moneys Secured then unpaid and in the meantime will hold it in trust for the Bank.
- 32.5 The Bank alone will be entitled to receive any moneys payable to the Mortgagor for improvements or as compensation or otherwise in respect of the Land or any part of it. No person paying any such money to the Bank need be concerned to inquire whether any default or breach has been made by the Mortgagor under this mortgage or whether the Bank is legally entitled to receive such moneys or not.
- 32.6 The Mortgagor will not be entitled to exercise the powers of leasing and accepting surrenders of leases conferred by statute, the general law or otherwise without the Bank's prior written consent.
- 32.7 The Mortgagor will not lease or give a licence to or part with possession of the Land without the Bank's prior written consent.
- 32.8 If requested by the Bank the Mortgagor will deliver the lease to the Bank and verify full particulars of it as the Bank may request.
- 32.9 As at the date of this mortgage the Mortgagor is not in default under the lease and no other party to the lease has any rights to enforce forfeiture or cancellation of the lease.
- 32.10 If a notice relating to the lease is served on the Mortgagor under any law the Mortgagor shall immediately deliver a copy of that notice to the Bank.

33. UNIT TITLES

- 33.1 Where the Land is or includes any stratum estate under the Unit Titles Act 2010 (in this clause 33 called "the Act") clauses 33.2 to 33.6 will apply.
- 33.2 The Mortgagor will:
- (a) punctually pay to the body corporate all moneys payable by the Mortgagor pursuant to the Act and the rules of the body corporate ("the rules"); and
 - (b) comply with all the obligations of the Mortgagor under the Act and the rules; and
 - (c) if required by the Bank maintain a mortgage redemption policy in accordance with section 137(1)(b) of the Act in the name of the Bank for an amount not less than the Moneys Secured and the moneys secured under any other mortgage over the Land notwithstanding that a mortgagee under any prior mortgage may not require the Mortgagor to effect such insurance. The Mortgagor will deliver any such insurance policy together with a copy of the

“principal insurance policy” (within the meaning given to that term by section 134(1) of the Act) to the Bank which will be entitled to the exclusive custody of it; and

- (d) require the body corporate to maintain an insurance policy over all buildings and other improvements on the Land in accordance with the provisions of section 135 of the Act;
- (e) give to the Bank any information relating to the affairs of the body corporate which the Bank may reasonably require. Production of a copy of this Mortgage by the Bank to the secretary of the body corporate will be sufficient authority for the secretary to give the Bank any information which the Mortgagor would be entitled to be given; and
- (f) take all reasonable steps from time to time necessary to enforce the obligations of the body corporate and other proprietors under the Act and the rules.

33.3 Despite anything else contained or implied in this mortgage, the Moneys Secured will immediately become payable and may be called up by the Bank in the event of:

- (a) the destruction of or damage to the principal unit so that it is no longer habitable;
- (b) an administrator being appointed by a creditor of the body corporate under section 141 of the Act; or
- (c) any application being made to a Registrar-General of Land or to a court for the cancellation of the unit plan or of the settlement of any scheme which affects the Land, without the written consent of the Bank.

33.4 The Mortgagor's voting rights under the Act may be exercised by the Bank subject to section 96(8) of the Act. The Mortgagor will not vote on any special resolution put to a meeting of the body corporate without the prior written consent of the Bank. The Mortgagor will then vote only as directed by the Bank.

33.5 The terms used in this clause 33 will have the meanings that they would have if used in the Act.

34. MANAGEMENT OF THE LAND

34.1 The Mortgagor will not without the prior written consent of the Bank:

- (a) cease to occupy the Land personally; or
- (b) grant any lease or permit occupation of the Land by any other person; or
- (c) give consent to any assignment, sub-lease or variation of any lease or permitted sub-lease of the Land to any other person; or
- (d) accept from any other person a surrender of any lease of the Land; or
- (e) do anything with a view to forfeiting any lease of the Land.

34.2 The Mortgagor will:

- (a) punctually collect any rent and other moneys payable in respect of the occupation or use of the Land by any person for any purpose whatsoever; and
- (b) pay any such moneys into a bank account with the Bank any other bank nominated by the Bank in the name of the Mortgagor; and
- (c) apply any such moneys to the payment of any part of the Moneys Secured as it falls due for payment.

34.3 If any Enforcement Event occurs the Bank may, in the name of and on behalf of and at the cost and risk of the Mortgagor:

- (a) begin and pursue forfeiture and other proceedings in the event of default by any lessee of any of its obligations under any lease of the Land; and
- (b) enter negotiations for and conclude any lease, tenancy agreement, licence to occupy, or any other estate interest or right to occupy the Land and any renewal, variation or replacement in whole or in part on any terms and conditions the Bank may think fit. The Bank may execute and register any document which may be necessary or desirable in its opinion to negotiate or conclude any such lease or other interest as detailed in this paragraph; and
- (c) generally do all things, as if the Bank were the Mortgagor, which may in the opinion of the Bank be necessary or desirable to protect or preserve this mortgage or any Collateral Security or to ensure an adequate financial return from the Land. Such things may include but are not limited to:
 - (i) giving any notice, complying with any requisition or lodging any objection; and
 - (ii) engaging in and settling or compromising any rent review negotiations or form of litigation (including arbitration); and
 - (iii) appearing before any tribunal whether in support of or objecting to any application; and
 - (iv) appointing any counsel, advisors, valuers, arbitrators, assessors or any other persons who may in the Bank's opinion be necessary or desirable.

34.4 The Mortgagor acknowledges and agrees that the rights conferred on the Bank by clause 34.3 will not have the effect of:

- (a) making the Bank in any way responsible for the Mortgagor or
- (b) creating any liability of the Bank whatsoever to the Mortgagor or any other persons; or
- (c) binding the Bank to account to the Mortgagor for rent or any other consideration.

The absence of liability conferred by this clause 30.4 extends to Attorneys and any other person employed or engaged by the Bank.

34.5 No person dealing with the Bank need be concerned to inquire whether the rights which the Bank purports to exercise have become exercisable or whether anything done purportedly under the rights conferred by clause 34.3 has been validly done.

35. PRIVACY OF INFORMATION

35.1 The Bank is authorised by the Mortgagor:

- (a) to use any information it holds at any time about the Mortgagor for any purpose in relation to its usual business functions and activities; and
- (b) to collect information from any other person about the Mortgagor for the purpose of carrying on its usual business functions and activities; and
- (c) to disclose information about the Mortgagor to:
 - (i) any person who gives any guarantee, provides insurance or provides any other form of credit support in respect of the Mortgagor's obligations to the Bank; or
 - (ii) any potential assignee or transferee under clause 36.1, or any other person with whom the Bank may wish to enter into contractual relations in connection with this Mortgage.

35.2 The Privacy Act 1993 may entitle the Mortgagor to have access to and to request the collection of any personal information which the Bank holds about the Mortgagor.

36. ASSIGNMENT

36.1 The Bank may assign or transfer this mortgage and/or all or any of its rights, title and interest under this mortgage at any time to any person it wishes.

36.2 The Mortgagor may not assign or transfer this mortgage and/or all or any of its rights, title and interest under this mortgage.

37. GOODS AND SERVICES TAX

37.1 The Mortgagor will immediately advise the Bank in writing:

- (a) should the Mortgagor be, or be liable to or become, registered with the Inland Revenue Department for GST pursuant to the Goods and Services Tax Act 1985; or
- (b) if the Land will be used for the purposes of any registered taxable activity at any time during the term, of this Mortgage; or
- (c) if the sale of the Land would be a taxable supply of the Mortgagor.

37.2 If any of the circumstances described in clause 37.1 are applicable, the Mortgagor will immediately provide the Bank with the Mortgagor's GST registration number.

37.3 If the Mortgagor should terminate its registration with the Inland Revenue Department for GST pursuant to the Goods and Services Tax Act 1985 it will immediately advise the Bank in writing.

38. PROVISIONS APPLYING TO A TRUSTEE BORROWER

38.1 This clause shall apply where a Mortgagor has entered into the Mortgage as the trustee of a trust specified in the Financial Documents or any other trust not disclosed to the Lender (called the "Trust").

38.2 The Mortgagor represents and warrants to the Bank that:

- (a) The Trust is validly created and existing and no circumstances exist by which it may be determined and no date for the vesting of any of the Trust's assets has passed;
- (b) The Mortgagor is validly appointed as the trustee of the Trust, is not in breach of its obligations as trustee and no circumstances exist by which it may be removed;
- (c) The Mortgage is executed pursuant to and in proper exercise of the powers of the Mortgagor as trustee of the Trust and all formalities required in connection with such acceptance have been complied with;
- (d) The Mortgage and performance by the Mortgagor of its obligations under the Financial Documents are for a proper purpose of, and provides commercial benefit, to the Trust;
- (e) The Mortgagor is entitled to be fully indemnified out of the assets of the Trust for its liability under the Mortgage and has not charged its right of indemnity to any other party;
- (f) The Mortgagor is the legal owner of all the assets of the Trust;
- (g) There is no dispute between the Mortgagor and any other person in relation to the Trust or the Trust assets; and
- (h) The Mortgagor is empowered to carry on its business as now conducted or contemplated and to own its property and assets in its capacity as trustee of the Trust and there is no restriction or condition upon such activity by it.

38.3 The Mortgagor must not without the Bank's consent:

- (a) Cease to be the trustee of the Trust nor will it do anything which would cause or enable its removal, nor will it retire, as trustee of the Trust;
- (b) Cause or permit the Trust to be determined or a vesting date to be passed;
- (c) Do or permit anything which adversely affects the Mortgagor's right of indemnity against the Trust assets;
- (d) In any way vary or permit to be varied the terms of the Trust;
- (e) Resettle, set aside, distribute or dispose of any Trust assets; or
- (f) Delegate any powers of the Mortgagor as trustee of the Trust or exercise any power of appointment.

38.4 The Mortgagor must at the request of the Bank provide full financial and other details of the Trust.

- 38.5 The Mortgagor irrevocably and unconditionally grants the Bank direct access to the Trust assets to recover any money not paid on time under the Mortgage.
- 38.6 The Mortgagor must procure that any person who becomes a trustee of the Trust (whether in replacement of, or in addition, to the Mortgagor) enters into a deed with the Bank whereby it agrees to perform the obligations identical to those of the Mortgagor under the Financial Documents.

39. WAIVERS AND REMEDIES

- 39.1 Time is of the essence of this mortgage but no failure or delay on the part of the Bank to exercise any right, power or remedy under this mortgage will operate as a waiver of it. No single or partial exercise of any right, power or remedy will preclude any other or further exercise of it or the exercise of any other right, power or remedy.
- 39.2 The rights, powers and remedies provided in this mortgage are cumulative on, and will not exclude, any rights, powers or remedies provided by law.
- 39.3 Where the Bank is supplying financial services to the Mortgagor for "business purposes" within the meaning of that term as it is used in section 43 of the Consumer Guarantees Act 1993 (in this clause 39.3 called "the Act"), the provisions of the Act will not apply to this mortgage. Where the financial services are supplied for other than business purposes, the Act will apply to this mortgage.

40. PARTIAL INVALIDITY

- 40.1 In the event that any provision of this mortgage is or becomes illegal, invalid or unenforceable in any respect under the law of any relevant jurisdiction, that illegality, invalidity or unenforceability will not affect the ability of the Bank to enforce the provisions or, as the case may be, the remaining provisions, of this mortgage. The legality, validity or enforceability of those provisions under the law of any other jurisdiction will not in any way be affected or impaired by it.

41. PROVISIONS OF THIS MORTGAGE TO SURVIVE DISCHARGE

- 41.1 The obligations of the Mortgagor contained in this mortgage will survive the repayment of the Moneys Secured and a discharge of this mortgage. Each indemnity given under this mortgage will constitute a continuing obligation of the Mortgagor, which is separate and independent from its other obligations under this mortgage. Each and every indemnity will apply irrespective of any indulgence granted by the Bank and will continue in full force and effect regardless of any judgement, order, claim or proofs for a liquidated amount in respect of any sum due under this mortgage, or any other judgement or order.
- 41.2 Whether or not the Bank may have received the whole of the Moneys Secured due to it, it will not be obliged to execute a discharge of this mortgage or the charge created by this mortgage unless it is satisfied that:
- (a) no further moneys may become payable by the Mortgagor to the Bank in the future; and
 - (b) no payment made or to be made in the future by the Mortgagor may be avoided, or required to be repaid by the Bank under any law relating to insolvency.

42. NOTICES AND DEMANDS

- 42.1 Any demand or notice required or authorised to be served on the Mortgagor under or in relation to this mortgage may be signed on behalf of the Bank by any Attorney, manager or solicitor of the Bank and the following provisions apply:
- (a) A notice or demand may be given either by personal delivery, by facsimile or by post (ordinary or registered).
 - (b) If given by post, a notice or demand will be posted in an envelope addressed to the recipient at its address specified in this mortgage or any other new address notified in writing to the Bank by the Mortgagor. If the recipient has left either of those addresses, then to the last notified address.
 - (c) If given by personal delivery, a notice or demand will either be left at the address of the recipient referred to in paragraph (b) of this clause 42.1 or given to the recipient personally.
 - (d) If given by facsimile, a notice or demand will be sent to the recipient at any such facsimile number notified in writing to the Bank by the Mortgagor unless the recipient has since notified the Bank in writing that it no longer holds that facsimile number.
 - (e) If posted, a notice or demand will be deemed to have been received by the recipient on the fourth day after the date of posting.
 - (f) If personally delivered a notice or demand will be deemed to have been received by the recipient on the day it was delivered.
 - (g) If sent by facsimile, a notice or demand will be deemed to be given at the time specified in a written transmission report from the machine that transmitted the facsimile which evidences full transmission free of errors to the facsimile number of the party who was given notice.
- 42.2 If the address of the Mortgagor changes, the Mortgagor must immediately give the Bank notice of the new address.
- 42.3 If a notice or demand is served on any one Mortgagor, then that notice or demand will be deemed to have been served on any other Mortgagors.
- 42.4 Any service effected in accordance with this clause will be valid and effectual notwithstanding that at the date of service, the Mortgagor, whether to the knowledge of the Bank or not, is dead, mentally incapable, bankrupt, in liquidation or absent from New Zealand or does not receive the demand or notice and notwithstanding any other matter or event whatsoever.
- 42.5 Where a demand or notice is not served in accordance with any of the foregoing methods, it will nevertheless be sufficiently served if actually received by the Mortgagor.
- 42.6 The modes of service provided by this clause do not limit any other sufficient and lawful modes of service and are subject to any mandatory provisions in any statute.
- 42.7 The validity of any notice or demand will not be affected by any error or omission in it. The Mortgagor will have no right of action, claim or demand against the Bank because of any such error

or omission in the exercise or enforcement by the Bank of its powers, rights and remedies contained in this mortgage including its power of sale, based on that notice or demand.

- 42.8 If the Mortgagor is not resident in New Zealand, then the Bank may withhold provision of financial accommodation or other services to the Mortgagor until the Mortgagor has appointed an agent in New Zealand for the purpose of accepting service on its behalf under sections 353 to 355 of the Property Law Act 2007.

43. IMPLIED COVENANTS

- 43.1 The covenants, conditions and powers in the Second Schedule to the Property Law Act 2007 shall, for the purposes of this mortgage, be negated or varied in so far as any of them contradicts, or is inconsistent with, the terms of this mortgage.

44. BANK'S CONSENTS AND CERTIFICATES

- 44.1 The Bank will have absolute discretion to give or withhold its approval or consent, and may give its approval or consent subject to any condition it wishes.
- 44.2 If the Bank gives any certificates as to any amount or any fact which might reasonably be expected to be within the Bank's knowledge, that certificate will be prima facie evidence of that amount or fact.

45. MINORS

- 45.1 If the Mortgagor includes a minor (with or without the knowledge of the Bank), then the liability of the Mortgagor or any person comprising the Mortgagor who is not a minor will not be limited by any lack of capacity of the minor. Nor will that liability be limited by there being no or limited recourse against or right of contribution from the minor, or by reason of time or other indulgence granted to the minor.

46. NO MERGER

- 46.1 The Bank's rights to payment of any Moneys Secured will not merge in the Mortgagor's obligation to pay that Moneys Secured under this mortgage. The Bank may demand payment of any Moneys Secured and may exercise its rights, powers and remedies under this mortgage whether or not any obligation relating to it is still current or has not fallen due.

47. JURISDICTION AND GOVERNING LAW

- 47.1 This mortgage will be governed by and construed in accordance with the laws of New Zealand, and the parties to it submit to the non-exclusive jurisdiction of the courts of New Zealand.

48. DEVELOPMENT

- 48.1 For the purposes of this clause "development" means any subdivision, construction, development work, alteration, improvement or other such work carried out on the Land.

- 48.2 Where the Bank is advancing any part of the Moneys Secured to enable any development the Bank will not be obliged to make any advances or provide any other services to the Mortgagor until the development has been completed, unless the Bank and the Mortgagor enter an express agreement which overrides this clause 48.2.
- 48.3 The Mortgagor will:
- (a) obtain the Bank's prior written consent to the development and the plans and specifications for it; and
 - (b) obtain any necessary Consent from any relevant authority or governmental agency; and
 - (c) if called on by the Bank, produce a survey certificate that the development will be constructed entirely within the boundaries of the Land; and
 - (d) immediately and continuously proceed with the development in a proper and workmanlike manner and in accordance with all plans and specifications for the development consented to by the Bank and any authority or governmental agency responsible for issuing appropriate Consents for the development.
- 48.4 The Mortgagor will ensure that in completing the development the Mortgagor and the development comply strictly with:
- (a) any relevant plan (as defined in the Resource Management Act 1991); and
 - (b) any necessary Consent; and
 - (c) all relevant statutes, regulations and bylaws; and
 - (d) any conditions imposed by any competent authority in respect of the development; and
 - (e) the plans and specifications consented to by the Bank.
- 48.5 The Bank may call for any certificates, valuations, or any other information which it considers necessary or prudent for the purposes of this clause 48, to be provided at the Mortgagor's cost.
- 48.6 If the Mortgagor fails to comply with the provisions of clause 48.3 then the Bank (without derogating from any of its other rights, powers or remedies) may immediately do all things which in its sole opinion may be necessary to complete the development and to ensure that no charges or encumbrances take priority over this mortgage or any Collateral Security.
- 48.7 The Mortgagor assigns to the Bank the benefit of the Mortgagor's right, title and interest in any Consents related to the development.
- 48.8 Despite the Bank's consent to any development, the Bank assumes no responsibility or liability to the Mortgagor for any matter in relation to the development. Completion of the development by the Bank in accordance with this clause 48 will not imply the exercise by the Bank of any care or skill and will not relieve the Mortgagor from its warranties, covenants and obligations to ensure good and workmanlike completion of the development.

48.9 The Mortgagor indemnifies and agrees to keep indemnified the Bank against any claims or demands made against the Bank arising from the Bank's completion of the development pursuant to this clause 48. The Bank will not incur any liability in respect of any decision it makes not to complete the development or to discontinue the development having commenced completion of it.

48.10 All moneys expended by the Bank in doing anything pursuant to this clause will form part of the Moneys Secured.
